

November 12, 2014

The Honorable Stephen Harper  
Prime Minister of Canada  
80, Wellington Street  
Ottawa, ON, K1A 0A2

Dear Mr. Harper

News of the vicious attack on Parliament Hill, Ottawa on 22<sup>nd</sup> October 2014 which cost the life of a great Canadian soldier, put the world in a deep shock and sorrow.

Iranian Democracy Front (IDF) condemns this act of terrorism and savagery. IDF members and their families send their deepest condolences to the martyr soldier's family, to you and to the people of Canada. IDF admires the heroic defensive act of the parliament's security officer for shooting the terrorist on time to prevent more bloodshed.

IDF also appreciates your government's valiant incessant actions against the Islamic Republic's promotion of international terrorism and its continuous uncivilized abuse of human rights in Iran. We believe that Iranian people will definitely remember the great moral support Canada has provided them in order to liberate its country from this inhuman regime and to establish democracy in Iran. The Islamic Republic is a despotic regime that oppresses with terror at home and sponsors war in the region. IDF is deeply convinced that the only solution to establish calm and peace in the region is to support the people of Iran to overthrow this tyrant regime.

Thirty six, and growing, democratic organizations have created the Iranian Democracy Front with the goal to help Iranians create a long lasting democracy in Iran and peace in the region. The members of IDF are inside Iran, in the United States, Canada, Europe and other countries. They represent a wide range of political views, and each group maintains its independent activities, while they cooperate to advance the Iranian pro- democracy movement.

Sincerely

Dr Assadollah Nasr Esfahani

Spokesman, Iranian Democracy Front
